

Acknowledgement of Application Procedures and Intent

Please read, sign and return this page as part of your application.

Thank you for applying for a Snowsports Scholarship for your sons and daughters.

The scholarships, which are awarded by the Sugarloaf Ski Club and the Sugarloaf Regional Ski Educational Foundation are intended for those families who have financial need. Unfortunately, there is not enough money to give awards to all area students. We do what we can.

While we do not ask applicants to supply personal financial information, it should be understood that in applying for these funds you are stating that it would be, at least, a financial hardship for the family, or at worst, your child would not be able to participate in the programs if financial aid were not provided. We rely on your judgment to make this process work.

It should also be understood by the applicant and family that the scholarship recipients and families may be called upon to volunteer for any scholarship fund- raising events or competitions. **We are all in this together.**

The application **must be mailed** (not hand delivered) and **postmarked no later than October 11, 2011** to Sugarloaf Ski Club, Village West # 13, Carrabassett Valley, ME 04947

If you have questions about the application, or to verify its receipt, **do not call.**

Please e-mail: Sugarloafskiclub@roadrunner.com

We strongly urge all applicants to not wait until the last minute to apply.
