Thank you for applying for a Snowsports Scholarship for your child. **Please read the scholarship information pages for info on eligibility requirements for each fund.**

The scholarships awarded by the Sugarloaf Ski Club, are intended for those families who have financial need. Unfortunately, there is not enough money to give awards to all area students. We do what we can. **Eligibility criteria** for each of our funds is on our scholarship information pages.

While we do not ask applicants to supply personal financial information, it should be understood that in **applying for these funds you are stating that it would be, at least, a financial hardship for the family, or at worst, your child would not be able to participate in the programs if financial aid were not provided.** We rely on you to make this process work.

It should also be understood by the applicant and family that the scholarship recipients and families may be called upon to volunteer for any scholarship fund- raising events or competitions. **We are all in this together.**

The Complete application **must be mailed** (not hand delivered nor emailed) and **postmarked no later than September 16, 2023** (to Sugarloaf Ski Club, 9008 Main St. Carrabassett Valley, ME 04947
